

Aaron Miller-Rehm @ EMS 27 November - 3 December, 2018

📅 Published: 28 August 2018

Aaron Miller-Rehm (<http://bleakenvironment.com>) (US 1989) is a Colorado based artist and experimental musician best known for his work surrounding the Bleak Environment label which he founded in 2010.

While at EMS he is recording using the Buchla 200 synthesizer, as well as using the Studer B67 tape machines for *Sorrowing Christ*, a collaborative effort with Stockholm-based musician Kali Malone (<http://kalimalone.tumblr.com>).
