

# Morten Poulsen @ EMS 5-18 February, 2018

---

📅 Published: 07 May 2017

Morten Poulsen (b.1990) (DK) is a composer and sound artist.

Since 2014 he has published four records on his own record label Outrovaert (<http://www.outrovaert.com/>), including the internet-based interactive music release Dark Web (<http://%20www.darkweb.dk>), made events that break with concert conventions in the project series DADADOIT (<http://www.morten-poulsen.dk/dadadoit>).

He has created multi-channel sound installations such as Temple for Oxóssi at Land Shape Festival 2016, and has been published on The Wire Tapper, performed long-duration improvisation with performance art group Camera Sonora (<http://www.morten-poulsen.dk/work/camera-sonora>) and last but not least, he is the underwater drummer in Aquasonic. (<http://aquasonic.dk/>)
