

Servando Barreiro @ EMS 20-26 August, 2018

📅 Published: 22 December 2017

Servando Barreiro -Born in 1979 in Santiago de Compostela (Spain). With background in electronics, Audio engineering and Audiovisual communication. Freelance media artist. Teaching Audio / video / electronics workshops, doing performances and interactive electronic art installations in diverse festivals and locations.

Doing sound design for Elastic drums and puredata sound patches for other artists, fascinated by music technology, experimental music and sound perception in general. Now working in a portable hardware system in order to perform electronic/ electroacoustic music anywhere.
