📅 Published: 09 August 2018

Lucy Railton (<http://www.lucyrailton.com>) makes cello based music and performs it live, often as a way to push the extreme and sonic potential of her instrument.

She trained in London and has since been performing and making experimental works for record, live, film and dance.

Her debut album, 'Paradise 94' was released in 2018 on Modern Love.

At EMS she will be working with Stockholm-based American composer Kali Malone. (<http://kalimalone.com>)
