

Mariam Gviniashvili @ EMS 13-18 May, 2019

📅 Published: 18 August 2018

Mariam Gviniashvili is an Oslo-based electroacoustic composer and sound artist originally from Georgia (country).

Her creative works lie in the domains of acousmatic music, spatial composition and audio-visual media. She has also created music for TV and theater.

At EMS she will be working on a new audio-visual project to be premiered at The Cube theater of Virginia Tech in August 2019.
