

Eye Measure @ EMS 5-10 April, 2022

 Published: 02 September 2021

Eye Measure (<https://soundcloud.com/eyemeasure/tracks>) is a UK-based experimental artist and curator, working primarily with algorithmic composition and creative coding. Their work has been exhibited and performed across venues such as Cafe OTO (London), Jerwood Space (London), No Bounds Festival (Sheffield) and Fylkingen (Stockholm). They are an active part of the TOPLAP/Algorave community.

They have recently been awarded funding from Arts Council England (<https://www.artscouncil.org.uk>) to create new work for live performance.
