

Daniele Guerrini @ EMS 21- 29 November, 2023

 Published: 15 March 2022

Heith is the alias of Daniele Guerrini, artist, musician and founder of Haunter Records.

His main interest dwells in the spiritual aspects of sound and its cosmogonic potential. Exploring the textures of sound through research into electronic music and electro-acoustic, Heith keeps an omnivorous and universalist approach to cultural and sonic influence.

He is also soundtrack composer and his debut album 'X,wheel' has been released on PAN in October 2022.
