

Bryan Eubanks @ EMS 12-18 December, 2022

📅 Published: 13 November 2022

Bryan Eubanks (b. 1977, US) develops his music through solo work and collaboration. Since 1999 he has participated in many short and long term projects, and regularly presents his work internationally.

Continually active in a variety of contexts: improvisation; composing electronic and acoustic works for small ensembles, solo instruments, computers, and electronics; organizing and curating concerts for other artists; building electronic instruments. He currently lives in Berlin.
