

Anna Zaradny @ EMS 3-4 November

 Published: 03 May 2016

Anna Zaradny is a sound and visual artist, composer, improviser. As a composer and instrumentalist she works in a wide spectrum of genres: from acoustic improvised music with a contemporary minimalist language to the complex structures of experimental electronic music compositions. As a visual artist, Zaradny creates in various media including installations, objects, photography and video. The artist uses abstraction, micro sound and architectonic elements, lights and space. Her pieces are marked by the ambiguity and the relationship between medium and ideas.
