

Evan Caminiti @ 4 - 8 September, 2017

📅 Published: 20 April 2017

NYC based artist Evan Caminiti (b.1987) has explored electro-acoustic music since the mid 2000's. With a focus on the intersection of composition and improvisation, he blends electronics, field recordings, and electric guitar, warping the sound sources using tape and digital processing.

Photo by Lisa McGee

He has performed extensively throughout North America and Europe and collaborated with musicians such as Jon Porras (as Barn Owl), Jefre Cantu-Ledesma, Ellen Fullman, Stephen O'Malley, Jacob Felix Heule, and visual artists Paul Clipson, Sabrina Ratté, and Wilhelm Sasnal. His work has been published on his imprint Dust Editions, in addition to Thrill Jockey Records, Shelter Press, Root Strata, Important Records, and more.
