

Fredrik Olofsson @ EMS 5-6 March, 2014

📅 Published: 27 February 2014

Fredrik Olofsson (<http://fredrikolofsson.com>) is educated in music composition at the Royal Music Academy in Stockholm and at the Music College in Piteå. He writes software for interactive installations, fiddles with electronics and performs audiovisual pieces under the alias redFrik. Alongside collaborations, commissions, residencies and live performances he is doing contract work for the project rhyme.no (<http://rhyme.no/>) in Oslo and teaches computational art at Universität der Künste in Berlin.
