

Jo Thomas @ EMS 13-16 July, 2017

 Published: 16 April 2017

Jo Thomas is a London based electronic music composer. Her music captures a combination of refined and raw sonic matter. Jo writes about the world around her. Underlying themes which are going through her work are intersectionality, disability rights, women's rights and human rights.

She has been commissioned around the UK, Switzerland, Sweden, Portugal, France and having performances in the USA, Canada and Australia. Jo produces music work for others, she works on sound design and curates music events around London.

Jo Thomas did her degree and masters degree in Bangor North Wales. Jo was awarded a Ph.D from City University, London in Electro Acoustic Composition in 2005.
