

Marta Zapparoli & Martin Kuentz @ EMS 31 May - 7 June!

 Published: 26 May 2014

Marta Zapparoli & Martin Kuentz, sound artists, composers are based in Berlin and working together since 2009. They research and practice the materiality of post-digital sound art within a complete development and production cycle of electronic and electroacoustic technics. During their residency in EMS studio2, they will deploy a specially developed multichannel ultrasonic network, detecting time and location specific electroacoustic phenomena within the studio environment for a series of 5 days.
