

Martin Howse @ EMS April 25 - May 1, 2016

 Published: 25 December 2015

Martin Howse (<http://www.1010.co.uk>) is occupied with an artistic investigation of the links between the earth (geophysical phenomena), software and the human psyche (psychogeophysics). For the last ten years he has collaborated on numerous open-laboratory style projects and performed, published, lectured and exhibited diversely. He is the creator of the skin-driven audio divination noise module, aka. The Dark Interpreter, and the recent ERD modular synth releases.
