

Olga Palomäki @ EMS 6 - 12 June!

 Published: 27 January 2016

Olga Palomäki (*1980) is a visual and sound artist based in Helsinki, Finland. Makes experimental sounds based on field recordings. Creates dark soundscapes by manipulating urban background noise and shaping it into a new form.

Palomäki's works have been on display in several solo- and joint exhibitions, film- and video festivals and screenings and sound art radio shows in Finland and other European countries. Graduated from Tampere University of Applied Sciences, Fine Arts Programme in 2007 (BA).
