

Roman Hiele @ EMS 30 October - 7 November, 2017

📅 Published: 21 April 2017

Roman Hiele (1991, Antwerp) is a composer, performer, explorer of synthetic and acousmatic music. Hiele has released solo & collaborative work on his label Ekster, the Antwerp based Ultra Eczema & Berlin based YYAA Recordings.

As a performer Hiele brings a fast paced live electronic act with focus on improvisational elements and a no-nonsense attitude towards sound evolution in time.

This autumn Hiele is developing new material for various projects. Central at EMS will be the preparation for his project 'Bin Frei' in deSingel, Antwerp, February 2018.
