

Shub Roy @ EMS 13-21 July, 2015

📅 Published: 29 June 2015

Shub Roy (<https://mindrecordsjapan.bandcamp.com/album/night-musik-transit>) is a Berlin-based composer, producer and multi-instrumentalist from Canada with experience in both electric (guitar, bass, synthesizer/electronics) and acoustic instrumentation (guitar, harmonium, percussion, Balinese Gamelan), as well as live mixing and electronic music production.

His experiences have taken him across a range of genres: experimental/noise (Akisakila, Smoke Judo), pop (Fu**ed Corpse, Jef Barbara), psychedelic prog/metal (Yamantaka // Sonic Titan), punk (Grand Trine, Pink Noise), lo-fi pop experimentalism (Dirty Beaches) and solo electronic ambient/techno production (Night Musik). He has toured extensively throughout North America, UK, Europe, Russia, Asia, Israel, Japan and Australia.

He is currently also composing for upcoming film and video projects.
