ERASMUS+: Félix Mirabel @ EMS 2 July - 29 August, 2018

 Published: 25 June 2018

We welcome Félix Mirabel as an Intern at EMS for the summer months. He is a first year student at the National School of the Arts and Techniques of Theater (ENSATT) (<https://www.ensatt.fr>), a Drama school with a dedicated Sound department, delivering professional training and creative research at a Master's level.

With a solid base in classical French theatre, and with a background in sound design/sound engineering Félix is looking to broaden his horizons and building on his knowledge at EMS.
