Reilly Smethurst @ EMS 2022

 Published: 11 February 2022

Reilly Smethurst is an Australian-born musician. He makes music for terrible, unimagined worlds, featuring custom-made string instruments, custom-tuned synthesisers, and experimental scales by Heinz Bohlen and Ervin Wilson.

His music can be categorised as microtonal or xenharmonic.

To listen, please visit Reilly's YouTube (https://www.youtube.com/channel/UC_EKJitaHnd8-wvbfo3SVrw) and SoundCloud (<https://soundcloud.com/user-304719166>)pages.

In 2022 he will be a Guest Researcher at the Stockholm School of Economics. During his time in Stockholm, he will be working at EMS periodically.
