

Projects at Elektronmusikstudion 2018

NCP Sebastian Edin @ EMS 12 September - 23 October, and 29 October - 16 November, 2018

 Published: 01 July 2018

Sebastian Edin (b. 1991) is a Swedish-Finnish sound artist and composer, who obtained a master's degree in electronic composition at DIEM (Danish Institute of Electronic Music) in 2017.

His work includes fixed media compositions, sound installations, performance pieces, music for modern dance and theatre and pieces for instruments and electronics.

He is currently based in Copenhagen.
